

"You Must Vote Flyer" This was one of many numerous flyers used by John O. Holly's Future Outlook League. This flyer endorsed a judge deemed fair by the FOL. Besides economic issues the FOL reminded African-Americans that in order to gain equality they needed to vote.

# To Demand Justice

## " You Must Vote "

1941

For years Negro Citizens have forgot to vote the Judicial Ballot that elects our judges. That is why Negroes do not always get justice by some of our judges.

The Future Outlook League indorsed

**JUDGE JOSEPH H. SILBERT**

for re-election because of his fairness to Negroes appearing in his court. At a public gathering

**JUDGE SILBERT** once said,

'NEGROES APPEARING IN MY COURT REPRESENTED BY MEMBERS OF THEIR RACE WOULD BE LOOKED UPON MORE FAVORABLY BY THIS COURT THAN IF THEY WERE REPRESENTED BY MEMBERS OF OTHER GROUPS' - Which means more business for Negro lawyers - - more jobs for Negro girls.

**SUPPORT THE MAN WHO IS FAIR TO YOU**

**Others will take notice**

Vote for the re-election of **JUDGE JOSEPH H. SILBERT**,  
Tuesday November 4, Ask your friends to do so.
