

Read this letter written by George Forbes in the summer of 1967 as part of the Operation Registration program, during Carl Stokes' campaign for mayor of Cleveland.

Using the information in the letter, make a poster that you think will get people excited to participate on Survey Sunday. Think of your poster tacked up on telephone poles all around the east side of Cleveland.

Dear Friend,

**Operation Registration is now on! We are joining the Stokes for Mayor supporters, the Southern Christian Leadership Conference and the United Pastors Association to register as many voters as possible before the August 23 deadline.**

**In order to have an effective program, we will need as many people as possible to sign up to be registered and/or volunteer to assist us on Survey Sunday, August 6, 1967. From 2 to 8 P.M. we will conduct a door to door survey to find persons who have not yet registered and make arrangements to get them to the Board of Elections.**

**If you are interested in helping us, please complete the lower half of this page and return it to George L. Forbes, at Operation Registration Headquarters, 12519 St. Clair, or telephone 761-6626.**

Yours truly,

George L. Forbes, Chairman  
Operation Registration
